Standard Notes: - Represents zero. (D) Withheld to avoid disclosing figures for individual companies. (NA) Not available. (x) Not applicable.

Note that in computing these ratios, contract or subcontract employment serving the establishment is excluded. The cost of contract or subcontract work expressed as a percent of payroll for 1963 was 40 percent for the Anthracite Industry and 15 percent for the Anthracite Mining Services Industry.

Represents establishments with zero or negative value added and, for number of employees and payroll, includes figures for separately reported central offices and related facilities.

Not shown since cost of supplies, fuels, purchased electric energy, contract work, and purchased machinery exceeds value of shipments and receipts plus capital expenditures.
